

Investing for Success

**Under this agreement for 2019
Coomera Springs State School will receive**

\$288,661*

This funding will be used to

Improve student achievement in Mathematics, Reading and Writing, resulting in:

- Improvement and increase in the percentage of students performing at NMS in Years 3 and 5 in the areas of Reading, Writing and Number
- Improvement and increase in the percentage of students performing in the U2B in Years 3 and 5 in the areas of Reading, Writing and Number
- Increase in the percentage of students meeting or exceeding year level targets in Reading, Writing and Number

Our initiatives include

Improving pedagogy by:

- Continuing implementation of school-based coaching model to improve teacher capacity in the explicit instructional model and rigorous reading
- Providing high quality professional learning that aligns with the Annual Implementation Plan

Enhancing quality curriculum by:

- Development of a Guaranteed and Viable Curriculum in the area of Mathematics, embedding proficiency scales from P-6
- Embedding the use of complex texts within our Rigorous Reading Model
- P-6 implementation of warm ups across the areas of Mathematics, Reading and Writing

Delivering targeted support and intervention by:

- Continuing additional learning support through employment of an additional teacher and teacher aide time
- Implementation of Multi Lit across P-6

Our school will improve student outcomes by

- Employment of additional teaching staff to create additional roles within STLN program and Teaching and Learning Coordinator - \$175000
- Employment of additional teacher aide support to support intervention programs - \$80000
- Professional Learning for the development of Guaranteed and Viable Curriculum - \$33661
