Coomera Springs State School

Responsible Behaviour Plan for Students

based on

The Code of School Behaviour

&

School Wide Positive Behaviour Support

Respect, Integrity & Excellence
1. Purpose

Our school is committed to providing a safe, respectful and disciplined learning environment for students where opportunities to engage in quality learning experiences and acquire values supportive of their lifelong wellbeing.

Our Responsible Behaviour Plan for Students is designed to facilitate high standards of behaviour so that the learning and teaching in our school can be effective and students can participate constructively within our school community.

Our plan aligns with the requirements of the Education (General Provisions) Act 2006 and Regulations 2006; and Education Queensland’s Code of School Behaviour.

2. Consultation and Data Review

Our plan was developed in collaboration with our school community. A review of school data relating to attendance, absenteeism, school disciplinary absences and behaviour incidents from 2008-2012 also contributed to the development of our plan.

Our Responsible Behaviour Plan for Students was endorsed by our Principal, and will be taken to the first 2013 P&C meeting for endorsement. The P&C Executive of 2012, endorsed the move to Coomera Springs State School becoming a part of School Wide Positive Behaviour Support (SWPBS).
3. Learning and Behaviour Statement

All areas of our school are considered learning and teaching environments. We consider behaviour management to be an opportunity for valuable social learning as well as a means of maximising the success of all our teaching programs.

Our plan outlines our strategies for encouraging positive behaviour, minimising inappropriate behaviour and responding decisively where necessary.

Our Responsible Behaviour Plan for Students identifies clear expectations for students’ behaviour, assisting us create and maintain our positive and productive learning and teaching environment. Our expectations are clearly outlined for students to follow.

4. Processes for Facilitating Standards of Positive Behaviours and Responding to Unacceptable Behaviour

**Universal Behaviour Support**

We believe that the foundation of positive school behaviour is respectful relationships, effective teaching, and inclusive and engaging learning opportunities.

To establish and maintain an excellent reputation we expect every member of our school community to understand their role in positively supporting the educational process and consistently modelling high expectations themselves.
To promote our standards of positive behaviour we communicate our expectations to all students. At our school we emphasise the importance of directly teaching students the behaviours we want them to demonstrate.

Our plan also strives to identify, promote and reward positive behaviour as a reinforcement of our goals and expectations.

The following diagram indicates that all our students will receive universal behaviour support, but as students’ needs increase so too will our support strategies.
Our school’s proactive and preventative whole-school processes and strategies for all students include:

- creation of a positive whole school culture including a detailed Student Dress Code and Queensland Cancer Fund accredited Sun Safe Policy
- a signed three (3) part “Enrolment Agreement” for all students
- our school rules which identify and promote our high standards of responsible behaviour. These rules are aligned with our school motto of Respect, Integrity and Excellence, our logo story and our values
- quality learning and teaching programmes offering a balanced, relevant and engaging curriculum
- active teaching of social skills embedded in the curriculum, including identifying, reporting and responding to all forms of bullying – in and out of school hours
- clear guidelines for students to manage the responsible use of personal technology devices at school
- supportive programmes and procedures collaboratively developed with staff, parents, and the student body
- student leadership programmes including: Student Council, School Leaders, Sports Leaders, and Mentors and Buddies
- establishing and maintaining productive relationships
- recognition, through certificate or letter, of students with positive behavioural records noted in OneSchool
- whole of school acknowledgements including: Tidy class, Cleaners’ Award and student ‘Gotcha’ tickets and weekly parade lucky draw
- recognition of achievement at Assembly and via fortnightly E-Newsletter
- classroom reward programmes
- structured student meetings discussing behaviour - when appropriate
- staff induction and ongoing professional development targeting school and cluster values and behavioural strategies
- extra-curricular programmes including: borrowing equipment for playground sports, Library, Computer Lab, Sport coaching, and Science Geeks etc
- commitment to respond positively and decisively to behavioural incidents as they arise or are reported.
**Targeted Behaviour Support**

Our school positively and proactively guides students with targeted support programmes including:

- referral to “in school” support staff including: Learning Support, Sexual Harassment Referral Officer and Administration staff
- referral to visiting Education Queensland and other government support staff including: Guidance Officer, Behaviour Advisory Teacher(s), Adopt a Cop.
- deploy additional staffing such as teacher aide
- specific skilling programmes
- a negotiated Individual Behaviour Management Plan including Behavioural Contracts. This program must be:
  - reasonably appropriate to the challenging behaviour
  - managed and monitored by an appropriately qualified person
  - designed to help the student not to re-engage in the challenging behaviour.
- identification of a school based “case manager”, typically the classroom teacher at this level, for coordination of access to programmes and liaison between support personnel
- use of OneSchool to monitor behaviour and provide positive formal and informal feedback
- early and regular parent communication and involvement
- participate in cluster, District and Regional support programmes

These additional support strategies are managed by the student’s case manager.
**Intensive Behaviour Support**

Students who require high levels of support to address extreme levels of unacceptable behaviour may also benefit from:

- referral to other specialist behaviour support facilities
- referral to outside agencies including: Child and Youth Mental Health, Youth Family Services, Child Safety, Police, a paediatrician, etc
- a specific Behaviour Improvement Condition, as part of the students Individual Behaviour Management Plan.
- Access to alternative programs and collaboration with other agencies may be necessary for students who repeatedly do not comply with our expected standards of behaviour.

These additional support strategies are managed by a case manager, chosen by the Principal in consultation with the student, parents, and class teacher.
COOMERA SPRINGS STATE SCHOOL

I am RESPECTFUL

- Be understanding of others
  - Each individual is different – Respect others
  - Celebrate similarities and differences
- Care for self, others and the environment
  - Look after yourself and be proud of who you are
  - Keep an eye out for your friends and others – encourage them to seek help and report if necessary
  - Keep the school a clean, tidy and healthy place. You can pick up rubbish that is not yours
  - Comply with directions given by people in positions of responsibility
- Show school pride
  - Comply with dress standards
  - Be a good ambassador for the school whenever you are
  - Respect your property and the property of others
- Report any problems
  - Tell a teacher or another responsible adult if you see an unsafe situation
- Be on task
  - Know the working environment – quiet working, some talking, class discussion
  - Understand and work on tasks you are instructed to do
  - Stay focused on what you have to achieve
  - Avoid distractions

Do your best

- Try everything you are asked to do
- Challenge yourself to produce your best
- Listen for instructions
- Seek and give help
- See yourself realistic goals

Manage your time and be prepared

In school
- Be organised
- Record and remember things you need to do (excursion forms, notices)
- Use your time wisely in class
- Eat a good lunch, drink lots of water
- Use the toilets and get a drink during breaks
- Be prepared for the challenges of the day

At home
- Develop effective homework and/or study techniques
- Organise your school belongings
- Check your bag for equipment the night before
- Eat a healthy breakfast

Use polite language

- Be polite and speak calmly and quietly
- Appropriate language only

Workplace Safety

- Be sun smart – hat, sunscreen, cover up
- Be aware of area specific safety measures

Show self control

- Run only when it is a safe area to do so
- Do not touch items around the school which are not meant to be handled except in special circumstances e.g. fire extinguishers, safety switches
- Move in a calm and orderly manner around the school
- Keep your hands and feet to yourself

Gain permission to leave and to be in any setting

- Only enter a classroom or other teaching area when permission has been given
- Do not leave a classroom or other teaching area unless permission has been given

Follow directions

- Listen to instructions
- Know what the task is, ask for assistance if you’re unsure
- Stay focused on what you have to achieve
- Model yourself on other ‘on task’ students
- Avoid being distracted

I am a LEARNER

I am SAFE

Promoting and Supporting Positive Behaviour

Observe the Unacceptable Behaviour

Behavior Flowchart
5. Emergency Responses to Critical Incidences

A critical behavioural incident is defined as an occurrence that is sudden, urgent, often unexpected, unsafe and requires immediate action.

Our staff has a consistent understanding of how to respond to critical behavioural incidents. Appropriate responses include both non physical and physical intervention. This consistency ensures that appropriate actions are taken to ensure that all members of our school community are kept safe.

**Physical Intervention:** Appropriate physical intervention may be used to ensure that Coomera Springs State School’s duty of care to protect students and staff (and others) from foreseeable risks of injury is met. The use of physical intervention is only considered appropriate where the immediate safety of others is threatened and the strategy is used to prevent injury.

**Lockdown Procedures:** Our school also has lockdown procedures that can be activated during a critical behavioural incident.

**Debrief:** After any critical behavioural incident a debrief should occur with directly or indirectly effected members of our school community.

**Record Keeping:** Each instance involving the use of physical intervention with a student is formally documented as a behavioural incident in OneSchool.
**Strategies to Use in De-escalating Situations:**

- Maintain calmness
- Avoid shouting
- Avoid cornering the student or invading their space
- Choose language carefully
- Model the desired behaviour
- Ensure safety of all
- Minimise body language
- Redirect behaviour through making consequences clear
- Always debrief

---

**6. Consequences for Unacceptable Behaviour**

Please see the exhaustive table *Managing Minor and Major Infractions.*

Coomera Springs State School focuses on teaching and reinforcing expected behaviours on a weekly basis. As a whole school, we take a weekly focus on one rule within our 3 universal rules of:
• Be Safe:
  - Report any problems
  - Workplace safety
  - Show self control
  - Gain permission to leave and to be in any setting
  - Follow directions

• Be Respectful:
  - Be understanding of others
  - Care for self, others and the environment
  - Show school pride
  - Use polite language

• Be a Learner:
  - Be on task
  - Do your best
  - Manage your time and be prepared
Minor and Major Behaviours

When responding to problem behaviour the staff member first determines if the problem behaviour is major or minor.

- **Minor:** minor behaviour problems are dealt with by the staff member at the time of the infraction
- **Major:** major behaviour problems are referred directly to the school administration (Principal/Deputy Principal)

Insight Room Referral

When students have been determined to have engaged in an infraction, they can face a referral to our Insight Room

1. **Insight Room Intent:**
   a. Provide students the opportunity to reflect on their choices and gain insight as to why they make certain choices.

2. **Students get referred to the Insight Room:**
   a. From administration in response to classroom and/or playground infringements/referral form.
   b. From duty teacher via a *playground referral form*.
   c. From classroom teacher after warning, timeout and buddy room has been utilised/ repeatedly committing the same indiscretions over a period of time.
3. **Insight Room Process**
   
   a. Student arrives at the Insight Room at the beginning of break.
   
   b. Student complete appropriate reflection form, P-2 or 3-7.
   
   c. Insight Room Duty Teacher conference with student regarding incident, choices and appropriate options.
   
   d. Insight Room Staff scan forms and attach in oneschool entry.
   
   e. Students are released to return to class at the end of break.

**Outside of School Behaviours**

All behaviour expectations remain the same for students travelling to and from school. Whilst wearing the school uniform any student is identifiable to Coomera Springs State School and will therefore be subject to the *Managing Minor and Major Infractions.*
7. Network of Student Support

To effectively support both staff and students with issues relating to school behaviour, Coomera Springs State School is able to access support from both within the school and beyond. We support a team approach to behaviour support. This includes the involvement of school administrators, staff, students, parents and members of the wider community; including personnel from other government and community agencies.

Where a student requires minimal or short term additional support, the class teacher will be the case manager. The case manager’s role is to coordinate Education Queensland based support to the student in our school.

Where a student requires significant additional support over an extended time and/ or settings, an Administrator will be the case manager. The case manager’s role is to coordinate the school based delivery of support services to the student and liaise with other government and community based service providers.

We acknowledge that responses to inappropriate behaviour must consider the particular situation and context, the individual circumstances and actions of the student. These aspects must be wisely balanced against the needs and rights of all our school community members. We recognise that this is a complex and demanding task.

Coomera Springs State School considers the individual circumstances of students when applying support and consequences by:

- promoting an environment which is responsive to the diverse needs of its students
- establishing procedures for applying fair, equitable and non violent consequences for infringement of the expected behaviour ranging from the least intrusive sanctions to the most intrusive
- recognising and taking into account student’s age, gender, disability, cultural background, socio-economic situation and their emotional state
- recognising the rights of all students to:
express opinions in an appropriate manner and at an appropriate time
work and learn in a safe environment regardless of their age, gender, disability, cultural background or socio-economic situation, and
receive adjustments appropriate to their learning and/or impairment needs.

Our Principal has final responsibility for all decisions made.

Information Statement

Gotchas

Dated: April 2013

**Purpose:** To provide staff with a basic outline for the use of Gotchas as an individual positive behaviour award at Coomera Springs SS.

1. **Physical Appearance of Gotchas:**
   
   f. Gotchas are copied on card (6 to a page – coloured or white) by office staff and distributed to class teachers, specialists, and aides. See annex for design.
   
   g. On the back of the Gotcha are tick boxes where the staff member can indicate which of the three rules the student was demonstrating at the time of the award.
   
   h. Bronze, Silver, and Gold gotchas are only one sided. See annex for design.

2. **How they are awarded:**
   
   i. Gotchas can be awarded both in the classroom and in the playground to students who are observed demonstrating their understanding of at least one of the universal rules through their actions. Examples include:
   
      i. In the playground:

         1. Student/s is leading, or participating in, a safe and fair game that includes everyone who wishes to be included – without being directed by a staff member;

         2. Student/s is showing pride in our school by independently collecting rubbish and placing it in the bin (more than 1 piece!);
3. Student/s is demonstrating safe behaviour by refusing to be involved in any unsafe games or behaviour and encouraging their friends to engage in a more appropriate activity instead.

ii. In the classroom:

1. Student/s is consistently engaged and on task;

2. Student/s independently seeks further academic challenges after completing set work;

3. Student/s independently offers help to a classmate who is having trouble;

4. Student/s informs the staff member of an unsafe practice or situation in a responsible manner;

5. Student/s has worked diligently on and delivers an assessment on time and at a high standard (respectively);

6. Student/s deals with a potentially volatile situation involving another student/s in a safe and respectful manner.

j. In a situation where there is more than one student engaged in the observed positive behaviour, each individual is awarded a Gotcha.

k. Teachers will use their discretion to award Gotchas in situations they believe are appropriate. The possibilities are endless. The intent is that the Gotcha be given out for meaningful positive behaviour and not for passing moments of compliance - for example, a Gotcha would not be an appropriate award for a student who is lining up nicely, but for a student who ALWAYS lines up nicely, and is a positive role model for their classmates. Having said that, a Gotcha can be used as an encouragement for a student who needs positive reinforcement in order to assist the transition from passing moments of compliance to more regular compliance!

l. Gotchas can be used as part of a strategy to target certain negative behaviours by awarding them to students who are doing the right thing in that area. For example, if the behaviour data shows that there have been several incidents involving unsafe use of play equipment – then playground duty teachers can be made aware of this and be encouraged to target those students who are being safe while using the equipment. The Behaviour Committee is responsible for monitoring and analysing the behaviour data, and communicating the results to staff.

4. Once they are awarded:
a. All class teachers will need a small “Gotcha Box” which can be made from anything that is handy. Basically, it just needs to be an identifiable place where students can place their gotchas when they receive them. All Gotchas will be placed in this box regardless of which staff member awards them. Students will need to bring all their Gotchas to the classroom if they are awarded outside the classroom – not to the office.

b. Teachers will need to keep a tally of how many gotchas each student has received, for the purpose of awarding Premium Gotchas (see next heading).

c. Each Monday morning, every class delivers their Gotchas to the central Gotcha boxes in the office. These boxes will be allocated P – 1, 2 – 4, 5 – 7.

d. At each Monday assembly, 3 winners are drawn from the central boxes. The winners each receive a voucher for an icy pole from the Tuckshop.

e. All Gotchas in the central boxes are then recycled (mulching???) and the new ones are put in each week.

5. **Bronze, Silver and Gold (Premium) Gotchas:**

a. Bronze, silver and gold gotchas can be used as the next level reward system on a term by term basis.

b. Once a student receives 10 Gotchas (in each term), they receive a Bronze Gotcha. At 20 Gotchas they receive a Silver Gotcha and at 30 Gotchas they receive a Gold Gotcha. These Premium Gotchas are awarded fortnightly on parade as they arise – class teachers are responsible for keeping track of their students’ Gotcha numbers and awarding the Premium Gotchas as required.

c. Bronze, Silver and Gold Gotchas will be used to determine which students have access to the medium and long term rewards. Actual rewards will be determined on a term by term basis and may vary. For example: At the halfway point of the term, any student with a Bronze Gotcha gets prize A (class messenger for a week), Silver Gotchas get prize B (20 min guitar/drum/sport lesson with Mr Maloney/Mrs Raffin/Mr Gall), and Gold Gotchas get prize C (30min Xbox with a friend). At the end of the term, there will be a special reward for any student who has received a Gold Gotcha during the Term – e.g. movie day in the hall, or afternoon tea with admin.

6. **OneSchool Data Entry:**
a. Data entry of Premium (Bronze, Silver, Gold) Gotchas on OneSchool is necessary in order to maintain accuracy of our behaviour data and provide evidence that we are achieving the minimum 4:1 ratio (4 positive entries for every 1 negative entry) as required by SWPBS policy. This ratio should be achieved as a whole school each month.

b. All Premium Gotchas should be entered on OneSchool as a positive behaviour record. This should be done at least once a week in order to maintain currency of the data. The categories in the positive behaviour record will be amended to include Bronze, Silver and Gold Gotcha as a drop down menu selection. Staff will need to make a brief comment describing the reason for the award, e.g. “Student has received 10 Gotchas for positive behaviour choices.”

c. Each student must be entered individually in order for OneSchool to do the count correctly. For example, if a teacher gives out 3 Bronze Gotchas to separate students in one day, they must enter each one individually. It is possible to put multiple students on one record, but if it is done this way, OneSchool will only count one positive towards our school’s total, when it should be three.

d. The class teacher is responsible for entering all Premium Gotchas for their own students regardless of who awarded them. It is possible to change the staff member’s name when entering the Gotcha.

e. Having the Gotchas saved on OneSchool is also a good way to justify/support your behaviour mark at report card time.
13. Endorsement
